Even though Breeder will make every attempt to get Cooled Semen to your Mare timely and in good condition, Mare Owner acknowledges that Breeder cannot guarantee delivery within a certain time period, nor that the Cooled Semen will safely reach the insemination destination without losing some of its integrity, quality or characteristics.

COOLED SEMEN HANDLING

Mare must be inseminated within 48 hours after collection of the Semen by a licensed veterinarian or technician. Please note that calculation of the 48 hours begins with the time of collection, NOT the time of receipt/delivery of the Semen at the insemination destination.

The semen shipped may be used for the Mare designated in this CONTRACT ONLY and may not be used to inseminate any other mares.

LIVE FOAL GUARANTEE

Live Foal shall be defined as a foal that shall stand and nurse without assistance and survive the first 24 hours. If the mare aborts her foal, the foal is stillborn or said foal does not survive longer than 24 hours, a return season will be guaranteed for the following year only provided proper notification is given to Breeder of the loss.

Proper notification shall be defined as written certification by a licensed veterinarian within seven (7) days from the date Mare is proved not to be in foal or loses her foal as set forth above and Mare Owner must certify that such abortion or death did not result from any act or omission of the Mare Owner. Failure to provide notification as set forth above shall void the Live Foal Guarantee.

The Live Foal Guarantee shall be void if Mare is abused, participates in a race, race training or a racing event, or otherwise participates in hazardous activity after being pronounced safe in foal.

Booster rhino pneumonitis vaccinations must be administered as indicated by the Mare Owner's veterinarian as the Mare progresses through her pregnancy. Failure to do this will void the Live Foal Guarantee.

Mare owner must furnish a veterinary certificate or call stallion owner confirming that Mare is in foal as a result of the Cooled Semen insemination within 30 days post breeding. Failure to notify Breeder within 30 days will void the Live Foal Guarantee.

Mare Owner understands and agrees that neither Breeder nor Breeding Facility shall be held liable for the loss, abortion or death of said animal or Foal.

BREEDERS CERTIFICATE

A Breeders Certificate shall be issued to Mare Owner only after Mare Owner has notified Breeder that said Mare has produced a live foal and only after payment of all bills due on said Mare has been received.
